INSTANTLY KILLED.

Daniel Cogley, an Aged Man Meets Death at Benwood.

HE WAS WALKING ON THE TRACK

AND FAILED TO HEAR THE APPROACH OF THE NORTH BOUND BALTIMORE & OHIO PASSENGER TRAIN YESTERDAY MORNING—HIS COMPANION, A BOY, HAD A NARROW ESCAPE. THE DECEASED WAS FRIGHTFULLY MAIMED—HE WAS A RIVERSIDE CAR INSPECTOR.

Yesterday morning at 6:45 o'clock, Daniel Cogley, a Riverside car inspector, was killed by being struck by a Baltimore & Ohio engine. He was killed instantly. The deceased was sixty-eight years of age and lived in the lower part of Benwood. He leaves a wife and eight children.

The deceased was going to work, and was accustomed to walk up the railroad track to the Riverside. On account of the freight wreck at Boggs' run Wednesday night, the east track was blocked for traffic. Cogley was not aware of this fact, and walked up the west track. He evidently heard the approaching train, but supposed that as usual it was coming up the east track, and it was on him before he could escape.

A boy named George Kerns, who was near Cogley, had a narrow escape from a similar fate. However, he got out of the way in time. The engine struck Cogley on the left side, almost severing his left leg and crushing his left arm from the elbow down. A big cut was made in his body, and the gash in his scalp was sufficient to have caused death.

The body was removed to Becker's undertaking establishment in Benwood, and the remains prepared for burial. The deceased was formerly a railroadman, in the employ of the Baltimore & Ohio. Coroner Henry Riddle held the inquest last night, and rendered a verdict in accordance with the facts.

MRS. GIFFEN'S DEATH.

A Well Known Woman Dies at St. Clairsville—Funeral on Saturday.

The many friends of Mr. R. K. Giffen will be shocked to hear of the sudden death of his mother, Mrs. Margaret Giffen, at her home near St. Clairsville, yesterday morning at 2 o'clock. Mrs. Giffen was stricken with paralysis on Tuesday afternoon and lived only thirty-six hours, being unconscious to the end. She was the mother of twelve children, eleven of whom survive her. Six of the seven sons will act as pallbearers, the seventh now being in Egypt. Many friends mourn with the family in the loss of their mother. She was seventy-five years old, and well known in Wheeling and vicinity. The funeral will take place from her late home, on Saturday at 2 p. m.

THE FAMOUS SUPPER

Of St. Luke's Chancel Chapter to be Given This Evening.

The chancel chapter of St. Luke's P. E. church, Island, will give one of the supper for which the chapter is famous, this evening. The hours will be from 5 to 8 o'clock, and it is certain all who have partaken of the repast served on similar occasions under these auspices will be on hand this evening.

A good reputation goes a long way in anything, but via the stomach a man's heart may be reached. It is said, consequently the male portion of the community may prepare for heart trouble this evening. However, the community is not supposed to take in only the corner sex, and the ladies will enjoy the supper in as great a degree, for it will be a supper that none can help but enjoy.

SCHRIMPF RELEASED.

Attorney W. P. Robinson yesterday received a letter from Judge Jackson, of the United States court, granting a continuance of the trial of Joseph Schrimpf, until the Wheeling term of court. Shortly after the receipt of the letter, and upon his recognition, Schrimpf was released from the county jail, where, as stated previously, he had been held to stand trial upon the charge of sending obscene matter through the mails.

THE NEW MAIL BOXES.

A force of several workmen from Washington is employed in the Federal building basement, painting the Wheeling mail boxes with the new color, aluminum bronze. Several of the boxes have been finished, and they are beauties. The first lot will be placed in position next Monday. Postmaster Wise has secured several of the very large No. 3 boxes, which will be placed in the business district, where the mail business is heavy.

CONTINUES IDLE.

The Benwood Plate Mill Workers Remain Out.

Nothing toward effecting a settlement between the striking helpers at the Benwood plate mill, and President Hubbard, was done yesterday, and the new wage scale which was to have been considered at noon, and which was the cause of the strike, being inaugurated Wednesday night, will hardly be submitted, as the men didn't finish the turn they were working on, quitting after the third heat and this action, many of them claim, severed their connection with the company.

The mill was idle yesterday, and will likely continue so indefinitely. The heaters were recently asked to make six heats a turn instead of five but were not asked to accept a cut in wages. Their helpers and other day men, after ineffectual attempts to confer with President Hubbard, were suddenly notified by him that reduced wage scale would be in order Friday at noon—to-day—and their failure to accept it was an alternative with looking for work elsewhere. The helpers became indignant at this turn of affairs, and on finishing the heat they were at, quit, and without them the heaters couldn't work. So the mill was forced to go off.

The strike directly concerns the heaters, about thirty in number. They get paid for iron by the heaters, and for steel by the company. The heavy stuff they could fare fairly well, but claim with light stuff they couldn't make hardly anything under a reduced rate. The strike also takes in the shearmen, "run-down," and other day men. The number of men, all told, employed in the mill is about 140.

The men are of the opinion that the company hasn't many orders for its product, a reason for offering the reductions, and that the company will be compelled to start the mill about the middle of next month when trade is brisker. The steelworkers, as stated previously, have been asked to take a heavy cut, and they meet to take action on the matter, at the Benwood city hall, Sunday afternoon. A general strike at the plant is not improbable.

LAFAYETTE COMMANDERY

Of the Knights of St. John, Has Been Formed in Wheeling.

Lafayette Commandery, Knights of St. John, is the latest addition to Wheeling's uniformed organizations. The application for the charter has been received with favor at the supreme office, in Buffalo, N. Y., and the charter is expected here in a few days.

The new commandery makes the third in this city and vicinity. It is the outcome of the efforts of Organizer Jacob J. Hillenbrand, and starts off with a membership of about thirty. There are about forty applications for membership, and Lafayette Commandery starts off very auspiciously. The membership roster includes many prominent Catholic young men. They have selected the Catholic high school as their meeting quarters, and expect to be uniformed within six months. The installation of officers will occur shortly.
